

ACTION TUTORING

infinite potential

Fundraising pack

Welcome

"Thank you for choosing to support Action Tutoring and our vital mission. Our work is needed more now than ever. **School closures** during the pandemic and the **cost of living crisis** have widened the academic attainment gap between disadvantaged pupils and their wealthier peers to **the highest it's been in 12 years**. By helping us, you're investing in the future of these young people, empowering them to unlock their full academic potential. **You are helping us make a difference.**"

"Fundraising champions like you have played a **pivotal role** in our journey. Since 2011, your generosity has helped us grow and thrive, from expanding to support primary pupils in 2016, to the creation of our online platform in 2020. Whether you **donate, take on a fundraising challenge, or support in other ways**, your dedication has a tangible impact. Together we can transform young lives and bridge the gap in academic attainment. **We couldn't do it without you.**"
